

Things you need to know before deciding to go...

- ✘ These opportunities are designed for you to participate in if you are unable to participate in one of the national or international projects.
- ✘ Each opportunity will be offered in July and in August.
- ✘ You need to prepare yourself to have an attitude of being:

**FAITHFUL** – to the responsibility of preparing for this experience in all ways (spiritually, financially, physically, emotionally)

**AVAILABLE** – to do whatever, whenever asked as we serve on this experience

**TEACHABLE** – to have a humble spirit and be open to what God may be demonstrating about Himself through the opportunity or people.

If you have any questions about these mission opportunities or what is required to be a part of the experience, please speak to Jamie **ASAP!**

## LOCAL PROJECTS

SANDWICH RUNS

THE COMPASS

# SANDWICH RUN

[www.project417.com](http://www.project417.com)

We will be partnering with Project 417 in downtown Toronto to participate in a sandwich run. Each event will involve the team meeting at MCBC to make the bagged lunches, traveling down on TTC to meet up with the team and get a briefing before heading out to hand out the lunches as an opportunity to build relationships with people who live on the streets of Toronto. You will be a living example & model of the Gospel to those whose lives need to hear of His hope & love.

# THE COMPASS

[www.thecompass.ca](http://www.thecompass.ca)

The Compass provides relief to people struggling with life's challenges. Through the building of relationships within the community and the member churches, we offer both practical and spiritual support. The Compass drop-in centre offers coffee, free groceries and household supplies on a voucher system, a safe place to visit, and prayer support when requested.

We will be hosting a BBQ event in the Clarkson/Lakeshore area, interacting with those who benefit from The Compass, and looking to see how we can get involved beyond the summer.
